STOMACH MISERY QUICKLY VANISHES

Your money back if you want it, is the way in which F. D. Pierce, the popular druggist, is selling Mi-o-na, the great dyspepsia remedy. This is an unusual plan, but Mi-o-na has so much merit and is so almost invariably successful in relieving all forms of indigestion that he runs but little risk in selling under a guarantee of this kind.

Do not be miserable or make your friends miserable with your dyspepsia. Mi-o-na will help you. If it doesn't, tell F. D. Pierce that you want your money back and he will cheerfully refund it.

A change for the better will be seen from the first few doses of Mi-o-na and its continued use will soon start you on the road to perfect digestion and enjoyment of food.

Mi-o-na has been so uniformly successful that every box is sold under a positive guarantee to refund the money if it does not relieve. What fairer proposition could be made?

F. D. Pierce gives his personal guarantee of "money back if you want it" with every box of Mi-o-na that he sells. A guarantee like this speaks volumes for the merit of the remedy.

Sold and guaranteed in Orleans by F. J. Kinney.
